

South Carolina Beekeepers Association

Research Topics from Local Associations for 2016

The South Carolina Beekeepers Association (SCBA) is seeking and requesting your guidance and participation to gather research topics for funds allocated to South Carolina Beekeepers for research in 2015. The SCBA will provide funding for projects designed to cover a single year of highly focused research on finding practical solutions or answers to problems facing South Carolina Beekeepers.

WHAT WE NEED FROM YOU!

- 1. Please take time at your next meeting to discuss ideas that you think could be beneficial to us as beekeepers.**
- 2. Make sure your association understands this is for small beekeepers and every idea no matter how small will be reviewed by the Grant Committee.**
- 3. The RFP will be sent out in December to those selected by the Grant Committee from this exercise.**
- 4. Every idea is important to us, please have your findings turned in before January 15th.**
- 5. Send your results to:**
